## Fuller Brush man promoted

YORK COUNTY — A former Sanford man has been awarded nationwide Fuller Brush Company recognition.

Roland Rhoades, now of Gorham, founded the Fuller Brush DownEast Winning Team in 1992 and was the Fuller Brush dealer in Sanford until he moved to Gorham in 2001.

In July he was promoted to executive director, the first such promotion in a decade.

A letter accompanying a certificate Rhoades received praised him for his hard work, saying, "Your determination to climb the success ladder of Fuller Gold places you among the 'elite champions' of Fuller Brush."

Fuller Brush makes specialty cleaning and personal care brushes and environment friendly cleaning products.
